

*The following Exhibitors are including a children's activity in their space ***

****Children's Activities presented by Spring Garden Fair**

Fun for your Junior Gardener: Stop by any time – we are open all day long for some kid size fun

<https://springgardenfair.org/childrens-activities/>

****Friends of Trees**

Friends of Trees has planted 910,000 trees and native shrubs in 120+ neighborhoods in six counties across two states. We've done this through engaging tens of thousands of community members, and while implementing and growing programming that aims to do this work inclusively and equitably.

We plant trees, and so much more. <https://friendsoftrees.org/>

****MMM Graphics Face Painting**

Using skin-safe paints, brushes, and sponges, Makayla will adorn faces with intricate designs, patterns, and characters in a garden theme. <https://linktr.ee/mmm.graphics>

****Molalla River Watch Watershed Council**

We help to protect, preserve, and restore wildlife habitat and improve water quality of the Molalla River Watershed. Molalla River Watch is committed to involving the community and schools in projects using the Molalla River Watershed as an outdoor classroom. <https://molallariverwatch.org/>

****Oswego Lake Watershed Council**

The mission of the Oswego Lake Watershed Council is to foster stewardship, education, participation, and financial support for the purpose of the conservation, restoration, enhancement, and maintenance of watershed functions that achieve and sustain a healthy watershed. <https://www.oswegowatershed.org/>

****Portland Metro Beekeepers**

A non-profit organization dedicated to the well-being of honeybees and to the field of beekeeping, apiculture, research and education. Check out their live hive! <https://portlandmetrobeekeepers.org/>

****Xerces Society**

The Xerces Society for Invertebrate Conservation is an international nonprofit organization that protects the natural world through the conservation of invertebrates and their habitats. Our key program areas are: pollinator conservation, endangered species conservation, and reducing pesticide use and impacts.

<https://www.xerces.org/>.

Ask-A-Master Gardener Clinic

Certified OSU Master Gardeners are available to answer gardening questions; also includes informational displays and handouts. And don't forget to pick up your limited-edition Anniversary Button while supplies last!

CCVCD Clackamas County Vector Control District

The Clackamas County Vector Control District is responsible for control of flies and mosquitoes within Clackamas County. The goals of the district are to limit the number of vectors thus reducing annoyances and the likelihood of vector borne disease for persons living in the district. <https://fightthebites.com/>

Clackamas Community College Horticulture Department

CCC Horticulture provides quality education and training in Greenhouse, Landscape, Nursery, Organic Farming and Arboriculture. Hands-on learning at its best! Visit our display for information about our programs, classes and workshops. www.clackamas.edu/horticulture

Clackamas County Office of Sustainability

Learn about Master Recycling (a program much like Master Gardeners sponsored by their office), natural gardening and composting. <https://conservationdistrict.org/>

Clackamas County Soil & Water Conservation District

Provides landowners with information about the benefits of native plants, using fewer pesticides, and practicing water-efficient gardening. <https://conservationdistrict.org/>

Clackamas River Water Providers

Working together to protect and conserve our drinking water. <https://www.clackamasproviders.org/>

Clackamas County Vector Control

The Clackamas County Vector Control District is responsible for control of flies and mosquitoes within Clackamas County. <https://fightthebites.com/>

Home Orchard Education Center

HOEC offers horticultural education, volunteer opportunities, a venue for inter-generational connection, and fruit-focused CSA subscriptions within a unique Community Orchard setting. <https://www.homeorchardeducationcenter.org/>

Master Food Preservers

Master Food Preservers are trained and certified volunteers who assist OSU Extension Service in their efforts to provide up-to-date food safety and preservation information to Oregonians.

<https://extension.oregonstate.edu/mfp/master-food-preserver-program>

Pacific Northwest Peony Society

The Pacific Northwest Peony Society was founded in 1996 by peony lover Allan 'Al' Rogers. He wanted to form a group that got together to discuss peonies and one others' love for the beautiful flower, and then the Pacific Northwest Peony Society was born. <https://www.pnwpeony.org/>

Sustainability Advisory Board – Lake Oswego

The mission of the Sustainability Advisory Board is to promote the sustainability of the community as a whole, considering public and private actors and their effects on ecological, economic, and community systems. https://www.ci.oswego.or.us/boc_sab

End of the Oregon Trial Pioneer Garden

A Clackamas County Master Gardener Assoc. project - the site includes a heritage rose garden and a kitchen garden representing varieties grown by early settlers in Oregon. There are also apple trees, grapes, hops, and flowers, as well as new Native American plants. <https://eotpioneergarden.wordpress.com/>

Grow an Extra Row

Grow an Extra Row is a project of the Clackamas County Master Gardener Assoc. The chapter rents several garden plots at Clackamas Community College. Volunteers plant and harvest more than one ton of produce annually for donation to local food banks. <https://cmastergardeners.org/grow-an-extra-row/>

Hopkins Demonstration Forest

A 140-acre, privately-owned forest, open to the public. Providing self-guided exploration, tours, workshops, and education progress for students, teachers and the public, they are supported with volunteers from the Metro Area Master Gardeners and OSU Extension service.

Soil pH Testing

The public can bring soil samples for testing. Hours for submitting samples are Saturday, 9:00-4:00 and Sunday, 9:00-3:00. Samples limited to 4 per person.
